

Internal Hosting

A hassle-free solution

Give yourself freedom!

BENEFIT from all the advantages of using **Internal Maintenance** and **Internal Procurement** without the initial capital investment and without the hassle related to the administration of a complex IT infrastructure.

DON'T WORRY about anything since we control the software installation and database maintenance on the **Internal** servers.

ENJOY an advantageous monthly 'per user' price:

- Access to **Internal Maintenance**, **Internal Procurement** and **Internal Maintenance** web pages
- Unlimited number of hours;
- Technical Support (ticketing system, phone and email)

KEEP peace of mind because we will take care of the IT requirements:

- **Internal** software updates
- Regular data base back-ups
- Optional data uploads to you server

COUNT on an easy and reliable way to access your management solutions since no software needs to be installed on your work stations or servers...

Internal... Since 1989
